Business Council Meetings

McGough Headquarters - 7:30 a.m.
2737 Fairview Avenue, Roseville, MN

May 25, 2022

Join us for an in depth conversation with elected officials at this annual Legislative Session Wrap-up event. State Senators and Representatives from the Roseville area will provide a recap of the 2022 legislative session and how new laws could affect the business community. Bring your questions for what is sure to be an excellent opportunity to interact with your elected officials.

June 22, 2022

Minnesota State Demographer Susan Brower will present data and analysis on the state of Minnesota and the City of Roseville. Hear about long-term projections for Minnesota and Roseville by age, gender, race, and ethnicity; total population projections for counties and economic development regions; as well as labor force projections. Susan will also present key trends, especially in the areas of economics, education, fertility, workforce, health, immigration, income, and poverty.

CULTIVATING SELF-SUFFICIENCY FOR PEOPLE WITH DISABILITIES

Roseville non-profit Northeast Contemporary Services, Inc. (NCSI) has been providing services for individuals with intellectual and developmental disabilities since 1967. Located at 2770 Cleveland Avenue, NCSI helps their clients explore and participate in employment, career-building, education, independent living skills, and retirement opportunities. While the focus on those services has remained the same, the age groups NCSI serves have changed throughout the years. NCSI's current services focus on adults from 21 years of age and older.

"Our goal has always been community integration, not isolation," says Jennifer Freeburg, Executive Director at NCSI. "Roseville has always welcomed our involvement in the community."

LIFE SKILLS AND MORE

NCSI offers structured curriculum-based programming where participants can join groups focused on lifelong learning, recreation, and volunteer service, both at its Roseville location and in the community.

"Roseville has always been an ideal community for NCSI's activities because of its abundant amenities, like the Rosedale Mall, an extensive park system and the Ramsey County Library," says Freeburg, "these amenities offer the opportunity for our clients to interact with individuals who do not have disabilities."

BUSINESS PARTNERSHIPS

Roseville's broad range of businesses offers many employment opportunities, including retail, restaurant and food service, hospitality, manufacturing, groundskeeping, and more.

NCSI provides training for its clients to do the jobs they are hired for and performs ongoing, on-site worker support, and follow-up visits to ensure an employer's needs are being met. Area businesses historically continue their involvement with NCSI because of the positive relationships developed. Freeburg adds, "many businesses welcome partnerships with us because they see the value our individuals bring to them."

HELP NEEDED

As with most businesses in 2022, the disability services field is facing a tremendous workforce crisis, resulting in cancelled day programs and group homes closing. Beyond careers with NCSI, individuals can make a difference by volunteering their time and talents. "Anyone with a special hobby or skill is welcome to share it with our clients," she said. "A 30-minute activity like singing, craft-making or bringing a service animal is extremely appreciated here."

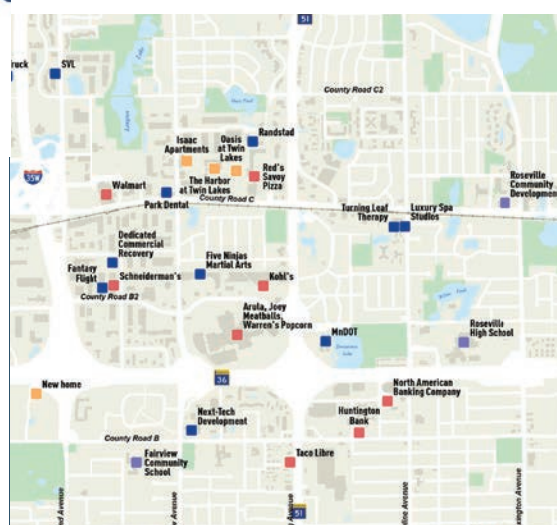

Freeburg is the first point of contact for anyone interested in applying for a job, volunteering their time, or wishing to make donations.
